

# BOFE Meeting Topics

March 3, 2021

1. COVID-19 Required Testing is being discontinued at the end of March. We will still be doing contact tracing of off duty and non-department members entering the station.
2. COVID-19 Supplies Update
  - Gators are in. 50/50 use over masks.
  - EMS gloves restrictions are loosening.
3. I.T.
  - TASSTA App: Still working on updates to the system while trialing the system.
  - Would like to move forward with purchasing remote mics and adding the Ambulance phone to the group.
4. Apparatus
  - Tower 3: UL will be in March 11<sup>th</sup> to finish the annual inspection.
  - Ambulance 1: waiting for appointment to get in for repairs. Most of the parts are in.
5. Station
  - Have several missing shingles over the admin side. Will reach out to Kevin to advise.
6. Station Addition
  - Need to add gutter to catch runoff.
7. 2021 Budget
  - No new updates
8. Grant
  - No news yet
9. ISO
  - Initial process is nearly complete, hopefully done by end of this week.
10. Misc.
  - New portable radios are in and operational.
  - Remaining 4000 (26) and 6000 (2) portables have been updated and assigned to all members with 6 spares.
  - Of the out-of-date 2500's, 6 were reprogrammed and will be distributed to the highway garage along with lapel mics, extra antennas and batteries. The remaining 2500's and 5000's will be disposed of by 2-Way.
  - All old OOS batteries have been disposed of at Batteries Plus at no charge.
